ATTENTION FACULTY!

Do you need financial support to hire student research assistants or lab assistants?

The UNM Division for Equity & Inclusion (DEI) has been awarded funding for faculty to hire student research assistants in UNM units or departments through the fiscal year! Research must focus on or be closely related to agriculture, natural resources, engineering, business, or clean energy.

**Student Criteria:**
- Tribal affiliation required
- Enrolled as UNM undergraduate or graduate student
  - Minimum of 2.5 cumulative GPA
- Progress towards respective degree program required
  (not on academic probation)

**Student Requirement:**
- End of semester testimony using medium of choice required.
  (paragraph, 30 sec podcast or video)

**Faculty Commitment:**
- Position must focus on developing students’ research identity and provide mentored experiences in research

Funding available on a first come, first served basis.
